

ARTISAN DEVELOPMENT PROGRAM COHORT VII

North House Folk School is a unique educational nonprofit committed to enriching lives and building community through the teaching of traditional northern crafts in a student-centered learning environment that inspires the hands, the heart and the mind.

PROGRAM OVERVIEW

The Artisan Development Program nurtures the growth of the next generation of traditional craft artisans. Over two years, the program offers:

- A budget for professional development and mentorship (\$6,000)
- Teaching practice (artisans are encouraged to develop classes, assist other instructors and teach). During Year 2, this is available as paid employment.
- Living Stipend (\$800/month for initial year of the program)
- Furnished housing (private bedroom in a house shared with other artisans, Year 1)
- Studio Space (about 250 sq. ft of personal studio space in a shared building, Year 1)
- Regional, national, and international connections to institutions and artisans through intensive instruction sessions and learning journeys
