

Unplugged 2025: Call for Volunteers!

September 19 & 20

Greetings from North House, where the campus and the new school store are bustling with visitors! It is hard to believe it has been nearly a year since the last Unplugged and the grand opening of the new Welcome Center! The crisp morning air is a reminder that it's that time again, and we are looking forward to our fall fundraising event, Unplugged!

[Unplugged 2025](#) has evolved to make the most of our harborside location - harnessing the assets of campus and relishing the fresh air & inspiring views on the edge of Lake Superior (rather than renting a big tent). These changes have allowed us to make the weekend more accessible than ever, with free concerts on Friday night and Saturday morning ahead of the Saturday evening fundraising gathering. We hope you will join us in making this year a success!

Read about the volunteer roles below, and when you're ready, [sign up for a role \(or two or three!\) online here](#).

Thank you for being a part of North House. If you have any questions, please feel free to email me at smccauley@northhouse.org or (218)-387-9762. I hope to see you on the harbor soon!

Warm wishes,
Sam

Volunteer Roles
