### Chili Serving/ Clean Up Crew

Chili and cornbread is arguably the most important job of the weekend, and it can't be done by one person alone. We're looking for a great crew to help us set up, serve, and clean up at the annual Chili Feed. No experience necessary, just a willingness to ladle chili, serve cornbread, and pitch in to wash some bowls.

- Saturday Nov 19, 5pm - 7:30pm

### Film Fest Attendant/ Info Booth

Friendly greeters guide people through the weekend (and point them to the bathroom). This is a mostly seated role in the Blue Building where the films will be shown. Info booth volunteers will be able to see the films while they pass out programs and whisper information to anyone with questions. \*No prior expertise necessary!
