Chili & Cornbread Cooking Crews

Join our illustrious staff to help cook chili and bake cornbread for the big Saturday night chili feed. No cooking experience needed, just a willingness to help out and have a great time.

Physical requirements: capable of standing, working at tables & doing dishes.

Chili Serving/ Clean Up Crew

We're looking for a great crew to help us set up, serve, and clean up at the annual Chili Feed. No experience necessary, just a willingness to ladle chili, serve cornbread, and pitch in to wash some bowls. This will be a standing or seated repetitive task for people who love to interact with and serve their neighbors! Afterward, volunteers will help to clear and clean the area.

Physical requirements: capable of standing, wiping, moving tables & doing dishes.

Film Fest Attendant/ Info Booth

Friendly greeters guide people through the weekend (and point them to the bathroom). Help make and sell popcorn and coffee. This is a mostly seated role in the north end of the Blue Building where the films will be shown. Info booth volunteers will pass out programs and whisper information to anyone with questions. *No prior expertise necessary!

Physical requirements: willing to sit or stand for several hours at a table indoors, make coffee and popcorn, and sell food and drinks.
