

# NORTH HOUSE FOLK SCHOOL

Wooden Boat Show - June 17-19, 2022

## Waterfront Boat Display Information

---

Thanks for signing up for the Waterfront Boat Display at the [Wooden Boat Show](#) this year. We are looking forward to having you here! Please read through the following information to learn all you need to know about getting your boat to campus and set to display.

For **unloading and drop-offs** there are two options.

1. If you are trailering in a boat, then come through the [upper lot \(map\)](#) and drop off the trailer in the commons. Things will be busy, with not much room for a vehicle.
2. If you can portage the craft, then come through the campground and unload down by [the Marina, south of the Blue Building \(map\)](#). Please note that there is no parking nor boat ramp available here.

## Parking

There is [public parking \(map\)](#) at the entrance of the campground and at the upper lot of North House. Please do not park at the Marina.

**The boat display area** will be on the south (lakeside) of the [commons \(map\)](#). There are no assigned spots, but we will have someone around to direct folks as needed. **You are responsible for bringing boat slings, trailers, or other means for displaying the boat. You are also responsible for arranging overnight storage.** Please note the daily “clearing” times below. Most of our buildings will be in use, and there will not be an option to store boats inside overnight. Boats docked or moored on the water overnight are required to register separately as transient boats with the Grand Marais Rec Park Marina. Please call 1.800.998.0959 or 218.387.1712.
